The Connection

Hamilton Magazine was introduced to us, Dollco, through a referral from one of our satisfied clients, who had experienced significant benefits from our services. Our strong reputation for customer satisfaction and successful partnerships sparked Hamilton Magazine's interest, resulting in the start of a collaborative journey.

Solution

We offered them our competitive pricing model along with various options, including a proposed change in cover stock to enhance their print quality. In addition, we also introduced preferential mail pricing for neighborhood mail providing a cost-effective solution for their distribution needs.

Impact

The results of this partnership were truly outstanding. Hamilton Magazine continues to provide their high-quality publication to their readers, but they also found themselves on a path of promising growth. Nous continuons à travailler ensemble sur les questions futures qui reflètent notre collaboration fructueuse et notre relation significative.

"Dawn in customer service, your prepress team, to Kim in accounting, have been instrumental in ensuring seamless operations"
